Insert your username
(or your email) and
your password and
click on the yellow
button

Menu. Choose your activity

You can:

- Start a new individual game
- Start a new group game
- Go to your game archive
- Go to "Lost password" section
- Set up your language

Group Game. Options

mymasterusername

CREATE GROUP GAME

If you want to create a new game, insert the title below

Choose the type of the game

Collaborative

Collaborative - group

Choose the card deck.

Deck 1

Deck 2

Deck 3

How many players do you want in this game?

Number of players (2-10)

I want choose the players from a set of existing players

Invia

- First of all, type a title for your game.
- Choose the type of the game. “Collaborative” means that each player will play **n** cards (where **n** is the **total number of cards in a deck**). “Collaborative - group” means that each player will play a smaller group of cards ($n/2$ if the players are two, $n/3$ if the players are three and so on).
- Choose the deck
- Insert a number from 2 to 10
- Choose if you want to insert some existing players in the new game. Choose this option only if you have already created one or more games.

Group Game. Create players for your game

mymasterusername

CREATE GROUP GAME

Insert now 2 new players.

Name	Email
<input type="text" value="FirstPlayer"/>	<input type="text" value="emailfirstplayer"/>
Name	Email
<input type="text" value="SecondPlayer"/>	<input type="text" value="emailsecondple"/>

Insert username and email of the players

Then click on the button

Group Game. Send login information to the players

mymasterusername

CREATE GROUP GAME

Now you have to start the game and send login and password to the players
